Subject: Microsoft Settlement (Support)

Dear Ms. Heese:

I agree with the Justice Department's decision to settle with Microsoft Corp. The holdout state attorneys general and the District of Columbia should follow your lead.

Microsoft's actions, instead of harming consumers, lowered the cost and increased the availability of the software products they sought. Microsoft also made millions of us more familiar with the Internet.

Thanks for deciding to settle this unjust lawsuit.

Respectfully,

Rev. James Rodgers
